

Alessia Garofalo

Communication & Interaction Designer focused on UX/UI, driven by a deep curiosity for how people connect with technology. I believe the best digital experiences happen when functionality, emotion, and storytelling meet.

Working experience

ONE AM
Apr' 2026 – Present

UX/UI Designer
- Wireframed end-to-end user flows and mapped key interactions for websites, webapps, and custom CRM systems.
- Designed high-fidelity UI screens and interactive prototypes bridging user needs with business goals.
- Built, maintained, and scaled custom design systems, collaborating tightly with developers in agile environments.

Accenture Song
Extra-curricular internship
Oct' 2025 – Apr' 2026

UX/UI Designer
- Conducted qualitative/quantitative UX research and detailed analysis for digital products in the insurance sector.
- Delivered structured user flows, intuitive UI interfaces, and advanced prototypes.
- Facilitated usability testing sessions and drove cross-functional alignment within enterprise frameworks.

Ophir Studio
Curricular internship
Jan' 2025 – Jun' 2025

UX/UI Designer
- Designed digital experiences, led competitor analyses, and translated insights into user-centered design strategies.
- Shaped early-stage concepts, wireframes, and interactive solutions from scratch.

Areadocks
Feb' 2023 – Jan' 2025

Communication Designer & SMM
- Managed comprehensive branding, visual identity, and web design projects from concept to execution.
- Curated social media management, crafted digital content, and structured targeted communication strategies.

Education
